

What is KE10?

KE10 is a **free**, two (2) day event, funded by ASUCR (Associated Students of UC Riverside) as well as ASPB (Associated Students Programming Board). This event is designed to give high school students a glimpse of the college experience. This program is targeted, *but **certainly not limited to***, Filipino/Filipina Americans grades 9-12, and anyone who identifies with the Pilipino American Experience. The purpose of this high school outreach program is to not only promote higher education in general and on the UC Riverside campus, but also to open the eyes of students and empower them with knowledge of the opportunities available to them in higher education. Students will also be staying overnight with UCR's HOST Program.

Where and when is KE10?

Katipunan Experience 2010 will be held in the University of California, Riverside campus on Saturday and Sunday, **February 27st and 28nd**. Each participant will be able to partake in interactive and informative workshops, keynote speakers, and campus tours. Students will be able to interact with college students and ask questions on majors, admissions, financial aid, and acquire general helpful tips throughout the day.

What is the purpose of KE10?

Katipunan recognizes that early academic preparation will provide students with a greater number of educational opportunities. Our goal is to help provide students with the educational opportunities, exposure and support they need to fulfill their optimal potential. We hope that you will allow your student(s) to take advantage of this wonderful opportunity, and encourage them to get a start on their future.
